

Yucaipa Challenge 2017

East/permanent side **Saturday** course log

Total length: 5140'

PDGA rules apply

ALL ASPHALT ROADS and LAKES OB

Concrete picnic pads safe

1. 300' - Original basket position. Right of marked line down right side of fairway OB. Road and left OB.
2. 366' - Up the middle from teepad. Road and left and right of the line along right side – OB.
3. 303' – From tee, cross the road to short position. Road and right is OB.
4. 252' – Slight right to original position. No OB along right side of fairway. Road and left – OB. Rock line behind basket also OB. Some part of the disc must be over dirt on near side of rocks to be safe – bring it out 1 meter. Also note OB line protecting #5 tee box area 25' to the right of the basket.
5. 177' – Original teepad down to basket
6. 282' – Teepad to original position. If you're short, must be left of the line drawn on the wall or re-tee. Coming to rest on the wall between fence and the canal right of that line is OB. On the wall in front of the fence, left of that line---play it where it lies. Mark at base of wall below lie if no stance on top.
7. 186' – Up the middle from the short-ish teepad. Only OB is the road and beyond waayyy over to the right. If roll back onto the packed dirt path that passes through the teepad, play it.
8. 249' – From teepad to original position. No OB left. Road and beyond, right, OB. Mandatory tree protecting #9 teepad with drop zone is OB if disc has passed that tree trunk on the right side.
9. 351' – Up the middle. Road and beyond OB.
10. 216' – Come to rest on the dirt island or you're OB.
11. 357' – Regular teebox marked on asphalt at the restroom structure, to left side island position. Road and beyond and any asphalt around island OB.
12. 270' – To original position around big tree. Road and beyond OB.
13. 258' – Short position. Road and right OB.
14. 276' – Original position straight off the teepad to tree cluster guarding line to the basket.
15. 234' – Original position. Next tee up to and left along the log wall to a rubber mat tee at the big tree at the end.
16. 243' – Basket is across the slope into the brush/trees straight off the end of the tee. Next tee downhill to the lake.
17. 250' – From old teepad (set parallel to the lake) fairway runs along lake and to a temp basket at the end of the tree-line. Stay left of mando tree off the tee.
18. 201' – “The goat path”. From teepad up through the cut to basket on top. Asphalt road around island is OB. Other side of guard rail ok if not on the road. Also an OB line protecting #19 teepad.
19. 369' – Same both days. Road and beyond OB. Right side line and beyond OB.
