

## Yucaipa Open 2018

Lakes course **Sunday** course log

Total length: 6049'

PDGA rules apply

ALL ASPHALT ROADS and LAKES OB

Concrete picnic pads safe

1. 321' – Left, across road where #9 was on Saturday. Land on the grass on the other side of road up at the basket or on fairway grass off the tee on the right side of road, or you're OB. The island is not safe!
2. 645' – Par 4 - Tee from other side of the bridge as on Saturday on the packed dirt road to long position. Road and beyond and grass fairway right side line and beyond OB. Re-tee if don't make it over the line along the brush/trees at any point.
3. 411' – Right side of road long position. Road and left, and right of the right-side canal concrete line, OB
4. 252' – Original position up the middle. Road and left OB. Rock line behind basket OB. Resting up on the rocks? Some part of your disc must be suspended over near-side turf. Next tee, go **left** around the corner to behind restrooms.
5. 250' - Grass tee behind restroom structure down to original basket position.
6. 356' - Tee **from the dock** up the shoreline from the regular teepad, to original position over the fence. Right of the vertical line on the wall below the basket is OB. Re-tee if never crossed over the shoreline at any point. Disc on the wall between the fence and the canal right of the line is OB. On the wall behind the fence, but left of the line, ok.
7. 192' – Basket on the hillside, slight right off the teepad. Road and beyond OB.
8. 340' – Long position. Road and beyond OB. **Mando** protecting teepad #9.
9. 390' - Long position to the right, near horseshoe pit.
10. 240' – From a painted tee back behind Saturday's teepad. Island, only, is safe.
11. 400' – From Saturday tee on the road adjacent to the new building, to the right-side island position.  
**Mando** tree near end of fairway on the right to protect #12 tee. Road left and beyond and any asphalt around island OB.
12. 309' – Long pin up and left from short position. Parking lot and beyond OB.
13. 333' - Long, past Saturday position, to within a few feet of the canal fence. Road and beyond and over that fence and canal, OB.
14. 276' - Original position up the middle through the tree gauntlet
15. 280' - Long position up and left from the Saturday short near the log wall behind.
16. 228' - Original, straight up the hill at the top through the two **mando** trees.
17. 249' – Same as Saturday. From old tee straight out parallel to the lake to an elevated temp basket.  
**Mando** tree at right/front corner of the teepad – stay left.
18. 201' – “The goat path”. From teepad up through the uphill tree/shrub tunnel to basket on top.  
Asphalt road around island is OB. Other side of guard rail ok if not on the road. Also, an OB line protecting #19 teepad.
19. 369' – Long position. Road and left OB as well as the line along right side of the fairway.
